

**Sign-up Form for a Giving Circle in honor of**

**(A-T patient/s)**

A-T scientists and physicians are making remarkable progress, shifting their focus from basic research projects to studies aimed at specific treatments. These studies, including drug-screening technologies, drug toxicity studies, and clinical trials in children, are more costly, requiring higher levels of funding. Having a reliable source of funding over the coming months and years will enable the A-T Children’s Project to plan and implement these studies.

**NOW...** more than ever... we need all the help we can get.

\*\* All funds in US\$ except for CANADIANS using this form: Credit cards will be in Canadian dollars and deposited directly into A-T Children’s Project Canada’s ATB Canada bank account.
