

Virtual 5K Race Series FAQs

Q: Do I have to fundraise?

A: Nope! Although it isn't required that you fundraise, we do encourage you to create a fundraising page at no additional cost and share it with friends and family while you train for your race!

Q: What do I have to do and what do I get by joining the A-T CureTeam?

A: All you have to do is register once, train and join us for one or all races!

- Guaranteed race entry for all 3 races in the 2020 Virtual 5k Race Series
- Chance to win prizes
- Personal fundraising web page
- Fundraising tools & materials
- Training tips and advice
- Please note that there are two registration options: one includes a race medal and one doesn't

Q: How can I track my running progress?

A: Join our Strava running club! Here you'll be able to track your progress, share your results and connect with other A-T CureTeam members who've joined you in the race to cure A-T!

Q: Do I have to pay the race entry fee up front?

A: Yes! All you have to do is pay a ONE TIME registration to join us in our 2020 Virtual 5K Race Series for all three races!

Q: Do I receive a t-shirt and race medal when I register?

A: There is a \$50 race registration option that will include a race medal that will be shipped to you (does not include a t-shirt). However, t-shirts will be available for purchase at our online shop for each race!

Q: Can my fundraising go towards my fundraising minimum for the Walt Disney World Marathon?

A: YES. Any money that you raise for the A-T CureTeam Virtual 5K Race Series will go towards your Marathon fundraising minimums! Please be sure to e-mail us at fundraising@atcp.org if you'd like to use your fundraising towards the Marathons.

Q: Can I use my fundraising page from the Virtual 5K that took place on June 20th instead of creating a new one?

A: This is it's own race series (separate from the last Virtual 5K), so we encourage you to create a new fundraising page to go along with it! You'll be able to use your new fundraising page for all 3 races in this series!

Q: How do I raise money?

A: The quickest and easiest way is to create a fundraising web page. Personalize your page, email donors directly from your page, thank your donors, check the results of your emails, and keep track of your donations.

Q: Will my donors get a tax receipt?

A: YES. We are a US 501c3 public charity and a registered charity in Canada. Each online donor will receive an automatic receipt via their email address, and we will provide tax receipts and thank-you letters for donors who send checks.

Q: Can I still join the A-T CureTeam if I'm not a runner?

A: Yes!! Get active with us in your own way. We encourage any kind of activity that gets you up and going. Cheerlead your A-T CureTeam from home if you're not a runner. Jump rope, bike, dance...whatever gets you going! HAVE FUN!

Still have questions? Email us at fundraising@atcp.org!
